

**ESTIMATE OF STANDARD COSTS**

The information below is meant to assist you in planning your egg donation and is only an estimate. There are many factors that determine the overall cost of egg donation. Yours may cost more or less depending on your circumstances. These amounts are subject to change without notice, and do not include medical expenses such as genetic testing, medications, the egg retrieval, outside monitoring, embryo testing, or surrogacy/IVF expenses.

<b>ASIAWEST, LLC AGENCY FEE.</b> Our fee includes the following services: locating and screening suitable egg donors (screening includes initial AMH and follicle count, infectious disease testing and background check), preparation of draft contract, trust management, coordinating with other egg donation professionals and providing support for both parties throughout the process.	
<b>Total agency fee</b> (due upon execution of our retainer agreement)	<b>\$10,000</b>

<b>DONOR COMPENSATION.</b> After you have been matched with a donor, you will be asked to establish a trust account for her. Upon execution of the Donor/Intended Parents contract, you will fund the trust to pay for her compensation based on the specifics of your contract.
